EDWARD

Isn't Bothered in the Least About New Order

ISSUED BY JOHN BULL

With Reference to American Meats for Army.

IT IS TOO SMALL A THING

for the World.

Omoha, Neb., April 11.-Edward A. Cudalty, head of the packing house interests of the Cudahy Packing company, was naked tonight what he anticipated would be the effect of the decision of the British comment to refrain from the use of American means by that government. He said that the result would not be serious. He understands that the restriction afevis the home government alone and not at Erfurt. the colonies and stated that his company was now filling an order for 2,000,000 pounds for the English government's use consumption of meat b ythat government is small and will have little or no conse-ptioned in packing business. He does not think the people of Great Britain will be baving forbidden officers to hold any to influenced by the action of the govern-communication with the Macenonian leave to catch a train. The program think the people of Great Sriam will be maving to the governinfluenced by the action of the governcommittee several immediately resigned. the British without question, and he does this proves the existence of widespread not anticipate any damage to American sympathy with the Macedonian move-

detalls and facts became better known.
